

The St. Louis Regional Library Network Council seeks proposals for the

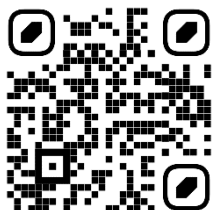

2022 SLRLN Tech Expo

to be held

Wednesday March 2, 2022

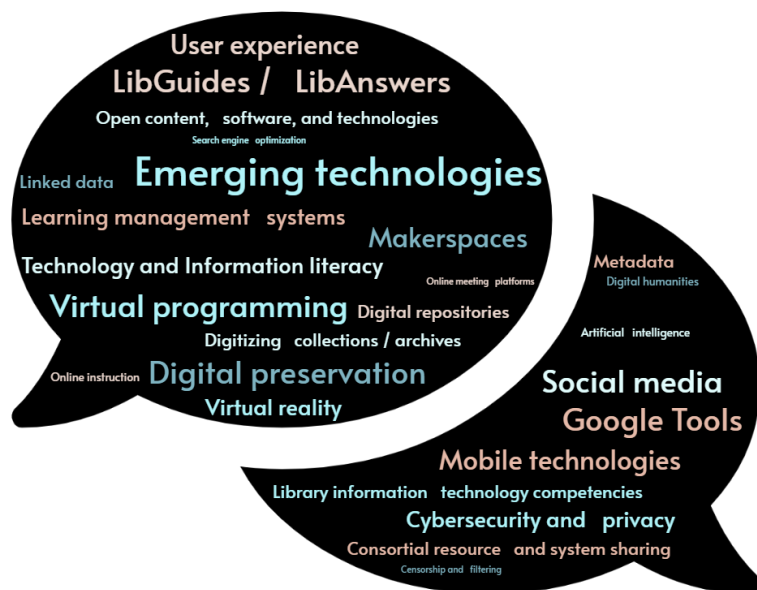

Logan University – Purser Center

What interesting tools, practices, programs, platforms, strategies, or ideas are creating success at your library? We want to hear about it! We are looking for proposals related to technology topics and all presentation formats.

[Scan to submit your idea for the 2022 Tech Expo](#)

The submission deadline is **Monday, December 13, 2021**

Proposals may be for any format of presentation. Examples include:

- 15-20 minute presentation with Q&A
- 40 minute presentation with Q&A
- Poster session
- Round table discussion
- Have another idea? Let us know!

This conference is for library workers from all types of libraries (school, academic, public, special)

See the [submission form](#) for more details, including possible options for in-person and virtual presentation.

If you have any questions, please contact slrln@amigos.org
