BIG THANK YOU

The Network Council would like to extend a big thank you to the many people who helped make this a good year. Thank you to St. Louis University Pius Library who hosted the Tech Expo II and who supplied the tech help for presenters. Thank you to Shirley Baker from Washington University who gave the luncheon address at this Tech Expo II and John Gresham from Fontbonne University who presented a session on Cyberplagiarism

St. Louis County hosted the Annual Luncheon where Sara Parker spoke to a group of about fifty librarians about the future of libraries in the state.

Ann Champion Riley of St. Louis Community College at Meramec hosted and organized our fall workshop on library instruction in universities and schools in the computer age.

A big thank you also goes to the network council. Without help from all these individuals the network could not continue to offer the services we currently supply. Moving out of town Anne Bradley from St. Louis University is being replaced by Jackie Hittner also from St. Louis University. Anne has taken a new job in California. Also moving to California is Cindy Feddar from Washington University Medical School Library. Cindy has retired and gone to San Diego to enjoy life. School is finishing her term as medical representative. James Zolnowski from Chaminade Prep Library is replacing Gail Hoffman as the private school rep on council. Paula Hubbard from Maryville University is replacing James Pakala from Covenant Seminary Library as the small academic rep. Linda d'Avignon, Parkway Central High Library, is the new representative for the public schools. Janice Patton and Barb Edwards member-at-large reps have been replaced by Carol Mock from Visitation Academy Library and Dr. Margaret Newbold from Fort Zumwalt West High Library. Again a big thank you is extended to council representatives leaving and a big welcome to new council.

Lewis and Clark Library System is dropping membership in the Network because of budget cuts they are facing. This means that the Illinois Libraries (except SIUE, Principia, McKendree College and Southwest Illinois College libraries) will no longer be eligible for INFOpass privileges as of July 1, 2003.
